

2017-2018

Sue Forbes Watson Award for Educational Innovation

Student Award Criteria

A Hanover student with a desire to experience an opportunity such as a workshop, a summer school class, an afterschool program, or a fieldtrip that might not be available to them without additional funding. This experience needs to support, encourage, and recognize excellence in the student's education.

The student must complete the following essay in 200 words and the essay must be double-spaced using a 12 point font size.

“My educational and career goals and how this award will help me achieve them.”

The applicant's essay and documentation of the above mentioned criteria are due on or before Friday, November 17, 2017.

The award will be in the amount of up to \$500.
